Founder: Dr. Guru Prasad

(Recipient of "Jewel of India" award for outstanding achievements from International business council)

A Humanitarian Appeal

Adarane Charitable Trust was started in 2005 with just three children and has completed a decade in the service of deserted and HIV+ affected family children and is presently sheltering 25 children in a rented building. The founder, during his childhood days, was in acute poverty and has even worked as construction labourer. After his graduation he used to offer free tuition to the children of his village who were either deserted or drop outs due to the stigma of being the off-springs of HIV+ affected family's children. He sheltered them in his house with limited space. When the number started increasing he used to collect funds from one and all and managed to maintain them. This gave birth to the present orphanage that is now having 25 children out of which four are children of HIV+ affected families. The children in our orphanage have only one thing in common. They are all neglected and rejected by society and their families..The monumental task of making them disciplined and responsible citizens of our country is being accomplished with the help and support of charitable and generous donors like you. We are, therefore, planning to raise funds to go in for a land for our trust with the support of the Government of Karnataka for which huge funds are required. With a view to achieving this objective we have created some schemes that are shown below in the hope that philanthropists and donors like you will adopt one of the schemes as a way to celebrate a birthday, an anniversary or a remembrance day of a loved one, while simultaneously helping in our efforts towards the procurement of the land. Participation in one of the schemes will enable you to share your happiness with so many less privileged children of God. When you see these children happy, it will in turn give you a feeling of joy and contentment. While these destitute and innocent children of God pray for you or for your dear ones on the nominated days you will feel the warmth of their prayers. When innocent children pray in unison, miracles are known to happen!

Details of the schemes offered

Scheme 1. Ad-hoc/Non Endowment donation of Rs.2, 500/-or equivalent in foreign currency.

On a day nominated by the donor (can be a birthday, anniversary or a remembrance day) the children and the staff of our home will offer prayers for the nominated. A poster containing the details of the nominated person with his/her picture will be placed in the prayer hall with the personal details supplied by the donor. After prayer, lunch/dinner with sweet and a savory or refreshments will be offered to the children. These proceedings will be photographed and two or three copies of the same will be sent to the donors by post or by e-mail as a measure of the joy that their donation made in the lives of the children of our home. In addition to sending the photographs by mail or post, we can also try to simultaneously put the video of the prayer proceedings on the internet, if so desired by the donor. This, in turn, we believe, should give the donors immense satisfaction and contentment.

Scheme 2. Endowment: One time donation or life time donation of Rs.25, 000/- or equivalent foreign currency.

The donors' names and the purpose of the donation will be written on the special board kept in the orphanage and also entered in the special register of donors showing the date on which the prayer has to be offered. A receipt will be issued. The donors can install a photo (overall size of the frame not exceeding 16/18x 15/16 inches) of their kin in the earmarked place in the orphanage indicating all the details in the space under the photograph and the same will be taken care of by the home. On the nominated day, this photograph will be garlanded, in addition to placing a poster in the prayer hall indicating the details of the person for whom the prayer is to be offered. The children will offer prayers in memory of the departed soul or for the good health and long life of the person (as the case may be) and this will be followed by a lunch/dinner with sweet and a savory or refreshments. These proceedings will be photographed and two or three copies of the same will be sent by post or e-mail to the donor for their personal satisfaction.

Scheme 3. Endowment: One time donation or life time donation of Rs.50,000/- or equivalent foreign currency.

The donors can install three photos of their kin in the place decided by the orphanage. All the proceedings as per scheme 2 will be performed on the nominated days for all the three persons. Photos of the proceedings will be sent by post or e-mail to the donors for all the three days.

Scheme 4. Endowment: One time donation or life time donation of Rs.1,00, 000/- or equivalent in foreign currency.

A hall will be named after the donor or his/her kin and photographs of the donor and kin (maximum of 6 pictures) will be installed in the hall. All the proceedings as shown in plan two will be performed for the donor and the kin on the 6 nominated days. Photos of the proceedings will be sent by post or e-mailed to the donors for all the six days.

Scheme 5. For a philanthropist willing to get the land on the outskirts of Bangalore and get the building constructed the whole building will be named after him/her and for which the prospective donor may contact the President/ Founder.

Patrons/ donors opting for any of the above schemes may please fill in the enclosed form and send it to the above address along with the photographs (including passport size) Photos of the sizes specified can also be supplied by the donors. We request that the charges towards framing may kindly be borne by the donor, so that your donations may be directed entirely towards the land and building construction. We thank you, whole heartedly, for your generosity and your kind consideration of our appeal. We hope and pray that our orphanage receives your support.
